I took due notice of, and shall communicate the same to my Government. To His Excellency, R. C. WYLLIE, Minister of Foreign Affairs, &c., &c., &c.

CONSULATE OF PERU FOR THE S. I.,

Honolulu, August 31, 1892.

Sir:—I beg to acknowledge receipt of your Excellency's Circular of yesterday, inviting myself and lady to attend the funeral of His late Royal Highness, ALBERT EDWARD KAHEKALUI LEIOPAPA A KAMEHAMEHA, Prince of Hawaii, in the Palace on Sunday the 7th of September next, at 11 o'clock, and shall feel honored in being present with Mrs. Spalding.

At the same time permit me, in behalf of the Government of Peru, to convey my most sincere condolences to their Majesty the King and Queen, on the melancholy occasion which has befallen them of their little son, "whom none knew but to love."

With a firm reliance that the Supreme Being has in this dispensation of his providence, although bringing for the time deep grief upon the hearts of fond parents and a mourning nation, his own wise plan in view, which time alone will reveal.

I remain your most

Humble servant,

J. C. SPALDING,

Consul of Peru.

His Excellency R. C. WYLLIE, Minister of Foreign Relations, &c., &c., &c.

HONOLULU, 1st Sept. 1892.

Sir:—I have the honor to acknowledge receipt of your Excellency's letters of the 23d, 25th and 29th August ultimo, and sincerely lament that the happy intelligence of the baptism ceremony was so soon followed by the sad announcement of the untimely death of His Royal Highness Prince Albert of Hawaii.

Permit me to assure your Excellency, and through you to His Majesty and the Royal Family, that I most sincerely condole with him and the Royal Family in the heavy affliction with which it has pleased the Almighty to visit them and the subjects of the Hawaiian Kingdom.

I have the honor to be, Sir, with distinguished consideration, Your Excellency's most

Obd't and humble serv't,

O. C. WATERMAN,

Consul of Chile.

Permit us, who have the honor to look up to your Majesty as the head of our corps, as well as Sovereign, to offer our respectful condolence in this heavy hour; and to assure your Majesty that we shall at all times deem it a privilege to testify by our acts, as well as by our words, the sincerity of our affection for your Majesty, and our regard for the memory of his late Royal Highness, Prince Albert of Hawaii.

To His Majesty KAHEKALUI IV., etc., etc., etc.

To Their Majesties, Kamehameha IV. and Queen Emma: MAY IT PLEASE YOUR MAJESTIES:—The citizens of Honolulu deeply deplore the demise of H. R. H. Albert, Prince of Hawaii, only son of your Majesties and heir to the Hawaiian Crown, have deemed it meet, in public meeting assembled, to convey to your Majesties an expression of the sincere and heart-felt sympathy and respectful condolence which they feel towards your Majesties on this very sad and heart-rending occasion; and whilst with the bereaved parents they deeply mourn the loss of one so young, so lovely and so promising, they mourn also, for themselves and the nation, the early loss of one, on whom the people had centered their warmest affections and most cherished hopes.

The citizens of Honolulu claim no preeminence over other portions of your Majesty's realm, for devotion and loyalty to the House of Kamehameha, but they may be permitted respectfully to say that—having enjoyed greater opportunities of personal intercourse with the august deceased and of noticing and admiring in him the early development of those graces of body and mind, which even in tender youth gave so rich a promise of a glorious manhood—his premature demise has touched a tender chord, a deeper sentiment in their breasts, than is springing simply from sympathy with the bereaved parents or an appreciation of a national loss.

To this faint and very inadequate expression of the feelings with which the inhabitants of Honolulu approach your Majesties, on this lamentable occasion, they would respectfully add their earnest hope that your Majesties may not suffer yourselves to succumb under the heavy calamity with which it has pleased the All-wise of our destinies to afflict you, but that your Majesties may be, in some measure, sustained under your bereavement by the reflection that you still possess in a loyal and devoted people a large and affectionate family, who claim a portion of that love and solicitude hitherto so lavishly bestowed on the dear one now departed, and who will never fail to reciprocate and repay that love and solicitude by obedience to the laws and devotion to the Crown and person of your Majesties.

R. F. SNOW, Chairman.

J. W. AUSTIN, Secretary.

To His Majesty Kamehameha IV.: MAY IT PLEASE YOUR MAJESTY:—The Honolulu Fire Department were apprised on the 27th ult. of the demise of His Royal Highness, ALBERT, Prince of Hawaii, and member of the said Department.

That sad event has spread sorrow and grief over the whole of your Majesty's realm, and in palace and hut, in hamlet and hall, but one feeling obtains, but one sentiment finds voice—the deepest regret for the loss of the young and lovely, the warmest sympathy with the Royal Parents.

Amongst those who on this mournful occasion hasten to lay the assurance of their respectful condolence at your Majesty's feet, none are so bold to say, will do so more truly, sincerely and devotedly, than your Majesty's Fire Department of Honolulu, who had moreover the honor of counting the August deceased as one of its members, and who looked so ardently, so trustfully, so proudly forward to his daily developing graces of person and beauty of mind.

Composed of men of every nation, class, creed and profession, the Honolulu Fire Department is unanimous in its prayer to Almighty God to alleviate the sorrow of your Majesty and of Her Majesty the Queen, to give you strength and grace to bear the heavy burden that has fallen on your Royal Family and on the whole land, and to cement still closer the affectionate sympathy of your people.

On behalf of the Honolulu Fire Department, we have the honor to be,

Your Majesty's most humble and most obd't serv'ts,

A. J. CARTWRIGHT, W. M. DUNCAN, J. M. HOPPER.

Hall of the Honolulu Fire Department, Sept. 4, 1892.

THE FOLLOWING RESOLUTIONS WERE PASSED at a meeting of the Hawaiian Cavalry, August 29: WHEREAS, It has pleased the Almighty Ruler of the Universe, in his inscrutable and all-wise providence, to remove from our midst, our late Corporal, His Royal Highness Prince Albert of Hawaii; therefore, be it

Resolved, That the condolence of the First Hawaiian Cavalry Corps, be respectfully and sincerely tendered to their Majesty the King and Queen, the parents of the deceased, conveying to them our heart-felt sympathy in their deep bereavement.

Resolved, That this Corps hold itself in readiness to pay all the last marks of respect to their beloved Comrade and Prince, as may be designated to us by the General Commanding in Chief.

Resolved, That the Commanding Officer of the Company transmit to the august Parents of the deceased a copy of the above Resolutions, and cause the same to be published in the public journals of this city.

Honolulu, August 29, 1892.

AT A SPECIAL MEETING OF THE HONOLULU RIFLE CORPS, held at their Armory on Friday evening, August 29, 1892, Capt. Brown in the chair, the following Resolutions were received and unanimously adopted:

WHEREAS, He pleased Almighty God, in his all-wise dealing, to remove by death from this world of cares and troubles, our much beloved the Chief of the People and Hope of the Nation, the Prince of Hawaii; therefore,

Resolved, That the announcement of the death of the Prince of Hawaii has filled our hearts with great sorrow.

Resolved, That in the decease of the Prince of Hawaii, his Royal Parents have lost an affectionate and much beloved child. This community has lost a hope towards which it has looked with an ardent joy, and this Corps has lost a member, from whom at some future time, they hoped to receive counsel and support, and towards whom they expected to show their loyalty and love.

Resolved, That this Corps tender to the Royal Parents their most sincere condolence at this their irreparable loss.

Resolved, That as a token of our sympathy and heart-felt grief, this Corps adopt the customary badge of mourning, and each member wear the same for sixty days; that the Corps wear crape for the next six successive full dress parades, and that the Armory be dressed in mourning; remembering that though dead, his memory shall be cherished with us to the close of life.

Resolved, That the Secretary be instructed to transcribe these Resolutions in the minutes of this meeting, and forward a copy to the Royal Parents, and also request the publication of the same in the papers of the city.

J. A. HANMER, Secretary.

Headquarters, Honolulu, Aug. 30, 1892.

To Their Majesties King Kamehameha Fourth, and Consort Queen Emma: We, your Majesty's loyal and faithful subjects and others, residents of the district of Laha, assembled in public meeting, desire to approach your Royal Persons with expressions of our profound emotion and sorrow, at the irreparable loss which you and the nation have sustained in the sudden and unexpected death of His Royal Highness the late Prince of Hawaii; and to assure you of our earnest and heart-felt sympathy in this most heavy affliction, with which it has pleased the Almighty, in his inscrutable ways, to visit both yourselves and this People.

We deeply share in the universal lamentation which this great calamity has called forth, and we deplore the loss of a Prince whose amiability and intelligence promised so much for the future of this People.

That it may please Divine Providence to soften this affliction to your Majesty's, and support you in this heavy trial, is the earnest wish and prayer of your Majesty's loyal and devoted subjects, and of the foreign residents of Laha.

Capt. McIntyre, late of the tug-boat *Pelee*, has been appointed a pilot, and Capt. S. James displaced. The latter gentleman has been acting as pilot for the past year under Capt. Howland's commission, and has given great satisfaction to all. Though he long since applied for an appointment to that office, and the Collector formally nominated him to the Minister, yet his claims are now set aside, and another appointed. While we have no fault to find with the new incumbent, we feel it to be a duty to raise our voice against this tyrannical act of the provisional Minister of Finance, in thus riding rough shod over the claims of one who has performed the service with the most entire satisfaction, and who justly merits the place.

This is the last official blunder made by a blundering Minister of Finance, who is still permitted to continue his tenure of the office, and perpetrate acts which disgrace the government. How long shall this be permitted? Must the voice of the people be again raised against a public officer, who has been condemned before, but still allowed to act with disgrace to his office? Must the people be roused up to other and more effective measures to carry out their verdict, already recorded against him? Let not our government delay too long in cutting off a man whose every act is to harass the public and weaken the government. Dismiss the Minister at once, and thus remove one of the most irritating grievances existing on the part of the people against the administration. "There is a point beyond which forbearance is a crime."—P. C. Ade.

Here is a specimen of modern journalism—or whatever the thing may be called—gone mad, stark, staring mad, because in the appointment of a Pilot the Minister preferred a man, of whom that journal says that it has "no fault to find with the new incumbent," and who, moreover, having served the Government faithfully for the last five years, was thrown out of employment by the late retrenchment policy—preferred him, we say, to another man, equally capable, we grant it, but who had no claims upon the Government, and who was not displaced by the new appointment, because he was merely acting as the temporary substitute for another Pilot who, himself, has not yet been displaced.

With great regard for Captain James' abilities in his business, and with still greater regard for him as a personal friend with many amiable qualities, we yet cannot perceive any "tyrannical act" in his failure to obtain the appointment. We are, moreover, authorized by him to say that he has never formulated any complaint to the Minister, the Collector, the editor or journal in question, "or any other man," upon the subject of the late appointment, and that he was as much astonished as anybody else to see himself made the fulcrum of such senseless and ridiculous ravings as disgraced the *Advertiser* of Thursday last.

The *Advertiser's* logic, never very lucid, is on this occasion sublimely obscure. How the Minister can be said to "disgrace the Government" by appointing a man, with whom even the *Advertiser* can "find no fault," is one of those startling quibbles, without either base or point, of which the *Advertiser* is so enamored, and so often mistakes for wisdom, but which in reality are neither wise nor even clever.

The *Advertiser* asks "how long shall this be permitted?" etc., and echo answers—"permitted." But we would like to know what it means by invoking "the voice of the people" in the affair. Is the pilotage of Honolulu elective, and has the Minister invaded the Constitutional right of the people? What reasonable right have the people to find fault with a Minister for appointing a man against whom "no fault can be found," the more so, when by so doing he observes the principle that should obtain in all governments of promoting their tried servants in preference to comparative strangers? Again, what may be the nature of the "more effective measures," to which the *Advertiser* would "rouse up" the people? The people's representatives adopted the only constitutional, and it seems to us, effective measures to obtain change in the Cabinet; what more "effective measures" can the *Advertiser* allude to? Is it troubled with worms, or does it dream of revolution? In either case the awakening may not be the most pleasant. But as its contortions and its dreams are alike disgusting to right-thinking sensible men, it would do well to seek medical advice at the soonest. The Ministers may be cold-hearted and tyrannical enough not to care one fig whether the *Advertiser* ever becomes convalescent or not; but, for the honor of the craft and our own repose, we confess that we much prefer the editorial company of a sane writer with moderate abilities and a lively sense of literary decency, to a crazy genius.

"Who struck Billy Patterson?" used to be a pet phrase in former years. Who struck the *Advertiser*? may be as appropriate a question on this, as on many other occasions. With what "people" does it mingle? on behalf of whom does it speak? We keep as good a run of public opinion "on the corner," we mix freely and confidentially with respectable men of all political shades of opinion, we are as observant and far more discreet than the *Advertiser*, and never go off half-cooked with crude reports that receive all their coloring from the journalist's own malignant feelings; and yet we confess that until we read the above article we had no idea that "the people," or any respectable portion of the people, had felt itself "harassed" and "aggrieved," or the Government "disgraced" and "weakened" by the appointment of a man with whom "no fault can be found."

Who whom does the *Advertiser* address its impious command to "dismiss the Minister at once"? Is it a time like the present, when the hand of God lies heavy on the Royal House, and on the whole land, that such pignies choose to mingle their discord with the solemn requiem over the dead? Shame! Shame!

But the *Advertiser* is mad, and has not even the sense of method in its madness; and that is all that we can say in its excuse. The resignation of the Ministry turned its head.

Merino Sheep.

Our readers will notice in the advertisement of Messrs. Hoffschlager & Stapenhorst in another column, that they expect by the bark *Pauline*, from Bremen, a lot of Merino rams and ewes. As this is the last lot which will probably be imported here for some considerable time to come, graziers and stock-raisers will bear in mind that "the early bird catches the straw," and that those who provide themselves now will not have to wait at *Grecus Culebras* ere their wants will be supplied.

Thanks. Messrs. McKuer & Merrill, and Chas. Wolcott Brooks & Co. of San Francisco, and Mr. W. K. Snodgrass, agent for Wells, Fargo & Co.'s Express, of Honolulu, will please receive our thanks for papers per *Flying Eagle*.

OFFICIAL.

To the Friends of Education.

The Public are already aware that the principal building of the Seminary at Lahaunui has been destroyed by fire. There were also destroyed at the same time a Philosophical apparatus and books belonging to the Seminary. The scholars were also sufferers. The estimate for erecting suitable buildings is \$8,500. The Legislature has appropriated \$5,000 to be applied for the erection of buildings, and it will require about \$3,500 to complete and furnish them for the purpose of the school, and to furnish a Philosophical apparatus equal to the one destroyed and replace the books. And the Board of Education regard it a duty to appeal to the whole people of the Islands for contributions to supply the deficiency, so that this College may be put once more into successful operation. There is now an opportunity for the friends of education to render essential aid in a time of great exigency to this institution, which has been, and is, and will hereafter be of great service to all our people. I would suggest that the Superintendent of the schools in each district, in conjunction with the Treasurer, should take such a course as they may think most expedient, to raise a subscription for the purpose. Whatever amount may be collected can be paid to the Treasurer of each district, to be transmitted by him to the undersigned.
